THANKS FOR YOUR BUSINESS WE APPRECIATE YOU, OUR GUEST!

One of the noticeable things we've picked up in this business is that there are as many barbecue tastes as there are people tasting it. Barbeque is southern, but like many things in this transient time, it is carried to any and all parts of the country and world! Enjoy yourself and please come back and keep smiling.

**THANKS -
 THE SMITTY'S FLIGHT CREW**

SMITTY'S CATERING

Remember that all our fare can fly to you! Have the great taste of smitty's famous food at your home, office or party. Ask anybody on our crew for details. We can cater anytime, anywhere! Any item on the menu - ask your server for a special catering menu at discount prices for groups of 15 or more.
